Learning Disability Week

Active Communities!

What is Learning Disability Week?

It is an opportunity to share the stories of people with learning disabilities being 'Active', 'Connected' and 'Included' citizens.

So let's come together and share the experiences and opportunities that being part of a community presents for people with learning disabilities.

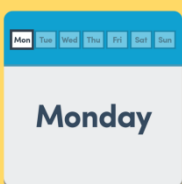

Get Involved

Come and help us celebrate:

Monday 13th May

10.00 am – 12.00 noon

Bells Sports Centre, Perth
