Nick Guttmann is Christian Aid's Head of Humanitarian Division. We commit almost a third of our total income to humanitarian work, reaching millions of disaster-affected people. Nick will outline how Christian Aid provides urgent and practical support in times of crisis and beyond.

Nick will also look at the amazing stories behind this year's Christian Aid Week. Find out how communities in Kenya are adapting, transforming and responding to climate change.

Just Scripture is Christian Aid's international Bible study toolkit. During this session we'll connect live with an overseas partner to explore a scripture passage together.
