The Annunciation

*Andy Warhol Arnold Machin*

*“Warhol’s painting offers a great space through which to view the world, located between the angel and Mary. The Machin has a lovely reflective quality, offering a quiet listening to one another which might set the tone for the Study Day.”*  
(Bishop Anne)

Please let Carol in the Diocesan Office know you wish to attend and if you have any dietary preferences. [bishopsec@standrews.anglican.org](mailto:bishopsec@standrews.anglican.org)
