[ecocongregationscotland.org/event/agm2022/](http://ecocongregationscotland.org/event/agm2022/)

All are welcome to our Annual Gathering on the theme "Caring for Creation: Unlocking the Future" as we mark our 21st anniversary, returning to Dunblane where ecumenical leaders first met in 2001 to begin the work of Eco-Congregation Scotland. Our main venue is Dunblane St Blane's Church of Scotland, while afternoon workshops will be held in Dunblane Cathedral Halls.

Please register at this [link](#).

***"Faith groups should not just replicate the practical actions of secular groups, but deepen into the spirituality that our times call for"***
